# TRADE INVADERS

## manufacturer and distributor

Founded in 2008, TRADE INVADERS is a French company that manufactures and distributes video game accessories compatible with consoles of all generations.

We also distribute over 5,000 items of derivative products, telephone accessories, high tech, airsoft and board games.

Our **Freaks and Geeks** brand helps you to be ever more competitive with high-margin products. Since 2022, we've been creating licensed gaming accessories to boost your sales and attract new customers. Our premium gaming accessories, combined with best-selling licenses, are the key to captivating fans and setting you apart in the marketplace.

We listen to you and make it a point of honour to advise you on the products best suited to your shop and your customers. It is this proximity and our reactivity that has led us to have more than 1400 customers in France and Europe.

## YOUR BENEFITS

-  - **WIDE PRODUCT SELECTION**
-  - **COMPETITIVE PRICING & BULK DISCOUNTS**
-  - **NEW PRODUCT RELEASES**
-  - **EXCLUSIVE DEALS AND PRODUCTS**
-  - **PRODUCT TRAINING & SAMPLES**
-  - **MARKETING SUPPORT**
-  - **RESPONSIVE CUSTOMER SUPPORT**

# HOGWARTS LEGACY, THE GAME

## Published by Portkey Games

An open-world, single-player action-adventure RPG set in the wizarding world of the 1800s. The story allows players to experience life as a student at Hogwarts School of Witchcraft and Wizardry like never before, as they embark on a never-before-seen adventure that takes them on a dangerous journey to uncover a hidden truth of the wizarding world.

They develop their magical abilities by mastering spells, brewing potions, taming magical creatures and more.

### The game is/will be available:

- **February 10th, 2023** on PlayStation®5, Xbox Series X|S and PC
- **May 5th, 2023** on PlayStation®4 and Xbox One
- **November 14th, 2023** on Nintendo Switch
- **15 million units sold worldwide**  
(February to May 2023)

# ASSASSIN'S CREED®

A UBISOFT ORIGINAL

## ASSASSIN'S CREED, DIVING BACK IN TIME

The Assassin's Creed saga is a legendary video game licence that follows the major events and epochs of history, and has left its mark on the video game medium since the release of the first episode in 2007.

### **A community of 155 million fans**

Assassin's Creed can count on a passionate, rich and committed community of fans. Over the past fifteen years, the series has inspired millions of fans around the world to cosplay with its characters, create art and fan fiction, compose music, shoot videos, record podcasts, publish carefully taken photos online and even take up parkour. Their involvement has helped to define and evolve the Assassin's Creed brand over the years. The franchise has gone beyond video games to become one of the most influential in the entertainment sector, inspiring novels, comic books, a film...- With the Discovery Tour franchise, transforming the historical reconstructions in each game into living museums, Assassin's Creed has acquired a real educational dimension: it's now possible to learn while you play! - Assassin's Creed music is now one of the most listened-to video game soundtracks on streaming platforms.

**200 million copies sold worldwide** : a figure that places it firmly among the most popular video game franchises in history.

### **10<sup>th</sup> video game franchise**

MIRAGE

UPLAY ORIGINAL  
ASSASSIN'S  
CREED  
MIRAGE

## ASSASSIN'S CREED MIRAGE RANGE

Available on PS4, PS5, XboxOne, Xbox Series X/S and PC.

This time the story will take place in ninth-century Baghdad, a few years before Assassin's Creed Valhalla (which began in 873). At the time, Baghdad was the largest city in the Abbasid Caliphate, if not the largest city in the world. The Caliphate was an immense empire stretching from the Maghreb to the gates of India, and it lasted until the 13th century. We'll be playing as Basim Ibn Ishaq, a character we saw in Assassin's Creed Valhalla.

The game feels like a return to its roots in terms of gameplay, going back to basics with a single dense city to explore. Players will be delighted to see the return of parkour, something that had been sidelined in previous games.

# THE ASSASSIN'S CREED SHADOWS GAME

«Assassin's Creed Shadows plunges players into a world of intrigue, mystery and conspiracy, steeped in the captivating essence of the franchise. Set in fifteenth-century Japan towards the end of the Sengoku period, the game will focus on the age-old struggle between the Assassin Brotherhood, fighting for peace and freedom, and the Templar Order, seeking peace through control, from the point of view of two protagonists: Naoe, a female shinobi, and Yasuke, an African samurai based on the historical figure of the same name. The two characters are controlled differently and offer a unique style of play, allowing quests to be approached in a variety of ways.
